Fairfield Beach Residents Association ALERT

SEVERE FLOODING POTENTIAL

**Recommend moving cars to
higher ground**

Possible road closure

FBRA neighbors, we just got this from Chief McCarthy:

The NWS has forecast a significant coastal storm to impact our area tomorrow.

The major impacts for Fairfield includes:

- Strong winds overnight will cause isolated power outages
- Persistent strong easterly winds will cause coastal flooding tomorrow. Flooding could be similar to the Oct 2018 flooding

You will recall the photo of the mail truck in Flood waters on FBR.

These forecasts are subject to change. I will send this group updates later today.

Actions:

- FairfieldAlert will be sent today to coastal residents recommending cars be moved to the train station. It is recommended cars be moved tonight
- Fairfield Beach Road may be closed to traffic tomorrow morning to prevent cars being disabled in flood waters and to prevent vehicle caused wave damage
- FBRA please share these recommendations with your membership
- FU please share these recommendation with Beach Area students

Please call me if you have any questions.
